FACUNDO PERCIO

Dark Horse Books

“Before us stands the might of the darkspawn horde. Gaze upon them now, but fear them not . . . Today we save Denerim. Today we avenge the death of my brother, King Cailan! But most of all, today we show the Grey Wardens that we remember and honor their sacrifice! For Ferelden! For the Grey Wardens!”

—Alistair

“Tread lightly in the heart of the forest, for past wrongs are remembered and mourned.”

—Leliana

“Change is coming to the world. Many fear change and will fight it with every fiber of their being. But sometimes, change is what they need most. Sometimes, change is what sets them free.”

—Morrigan

"You know, you never feel so alive as when you're breaking and entering."

—Zevran

“Let’s show them our hearts, and then show them theirs.”
—Oghren

“Resist. You must resist, else we are all lost.”
—Wynne

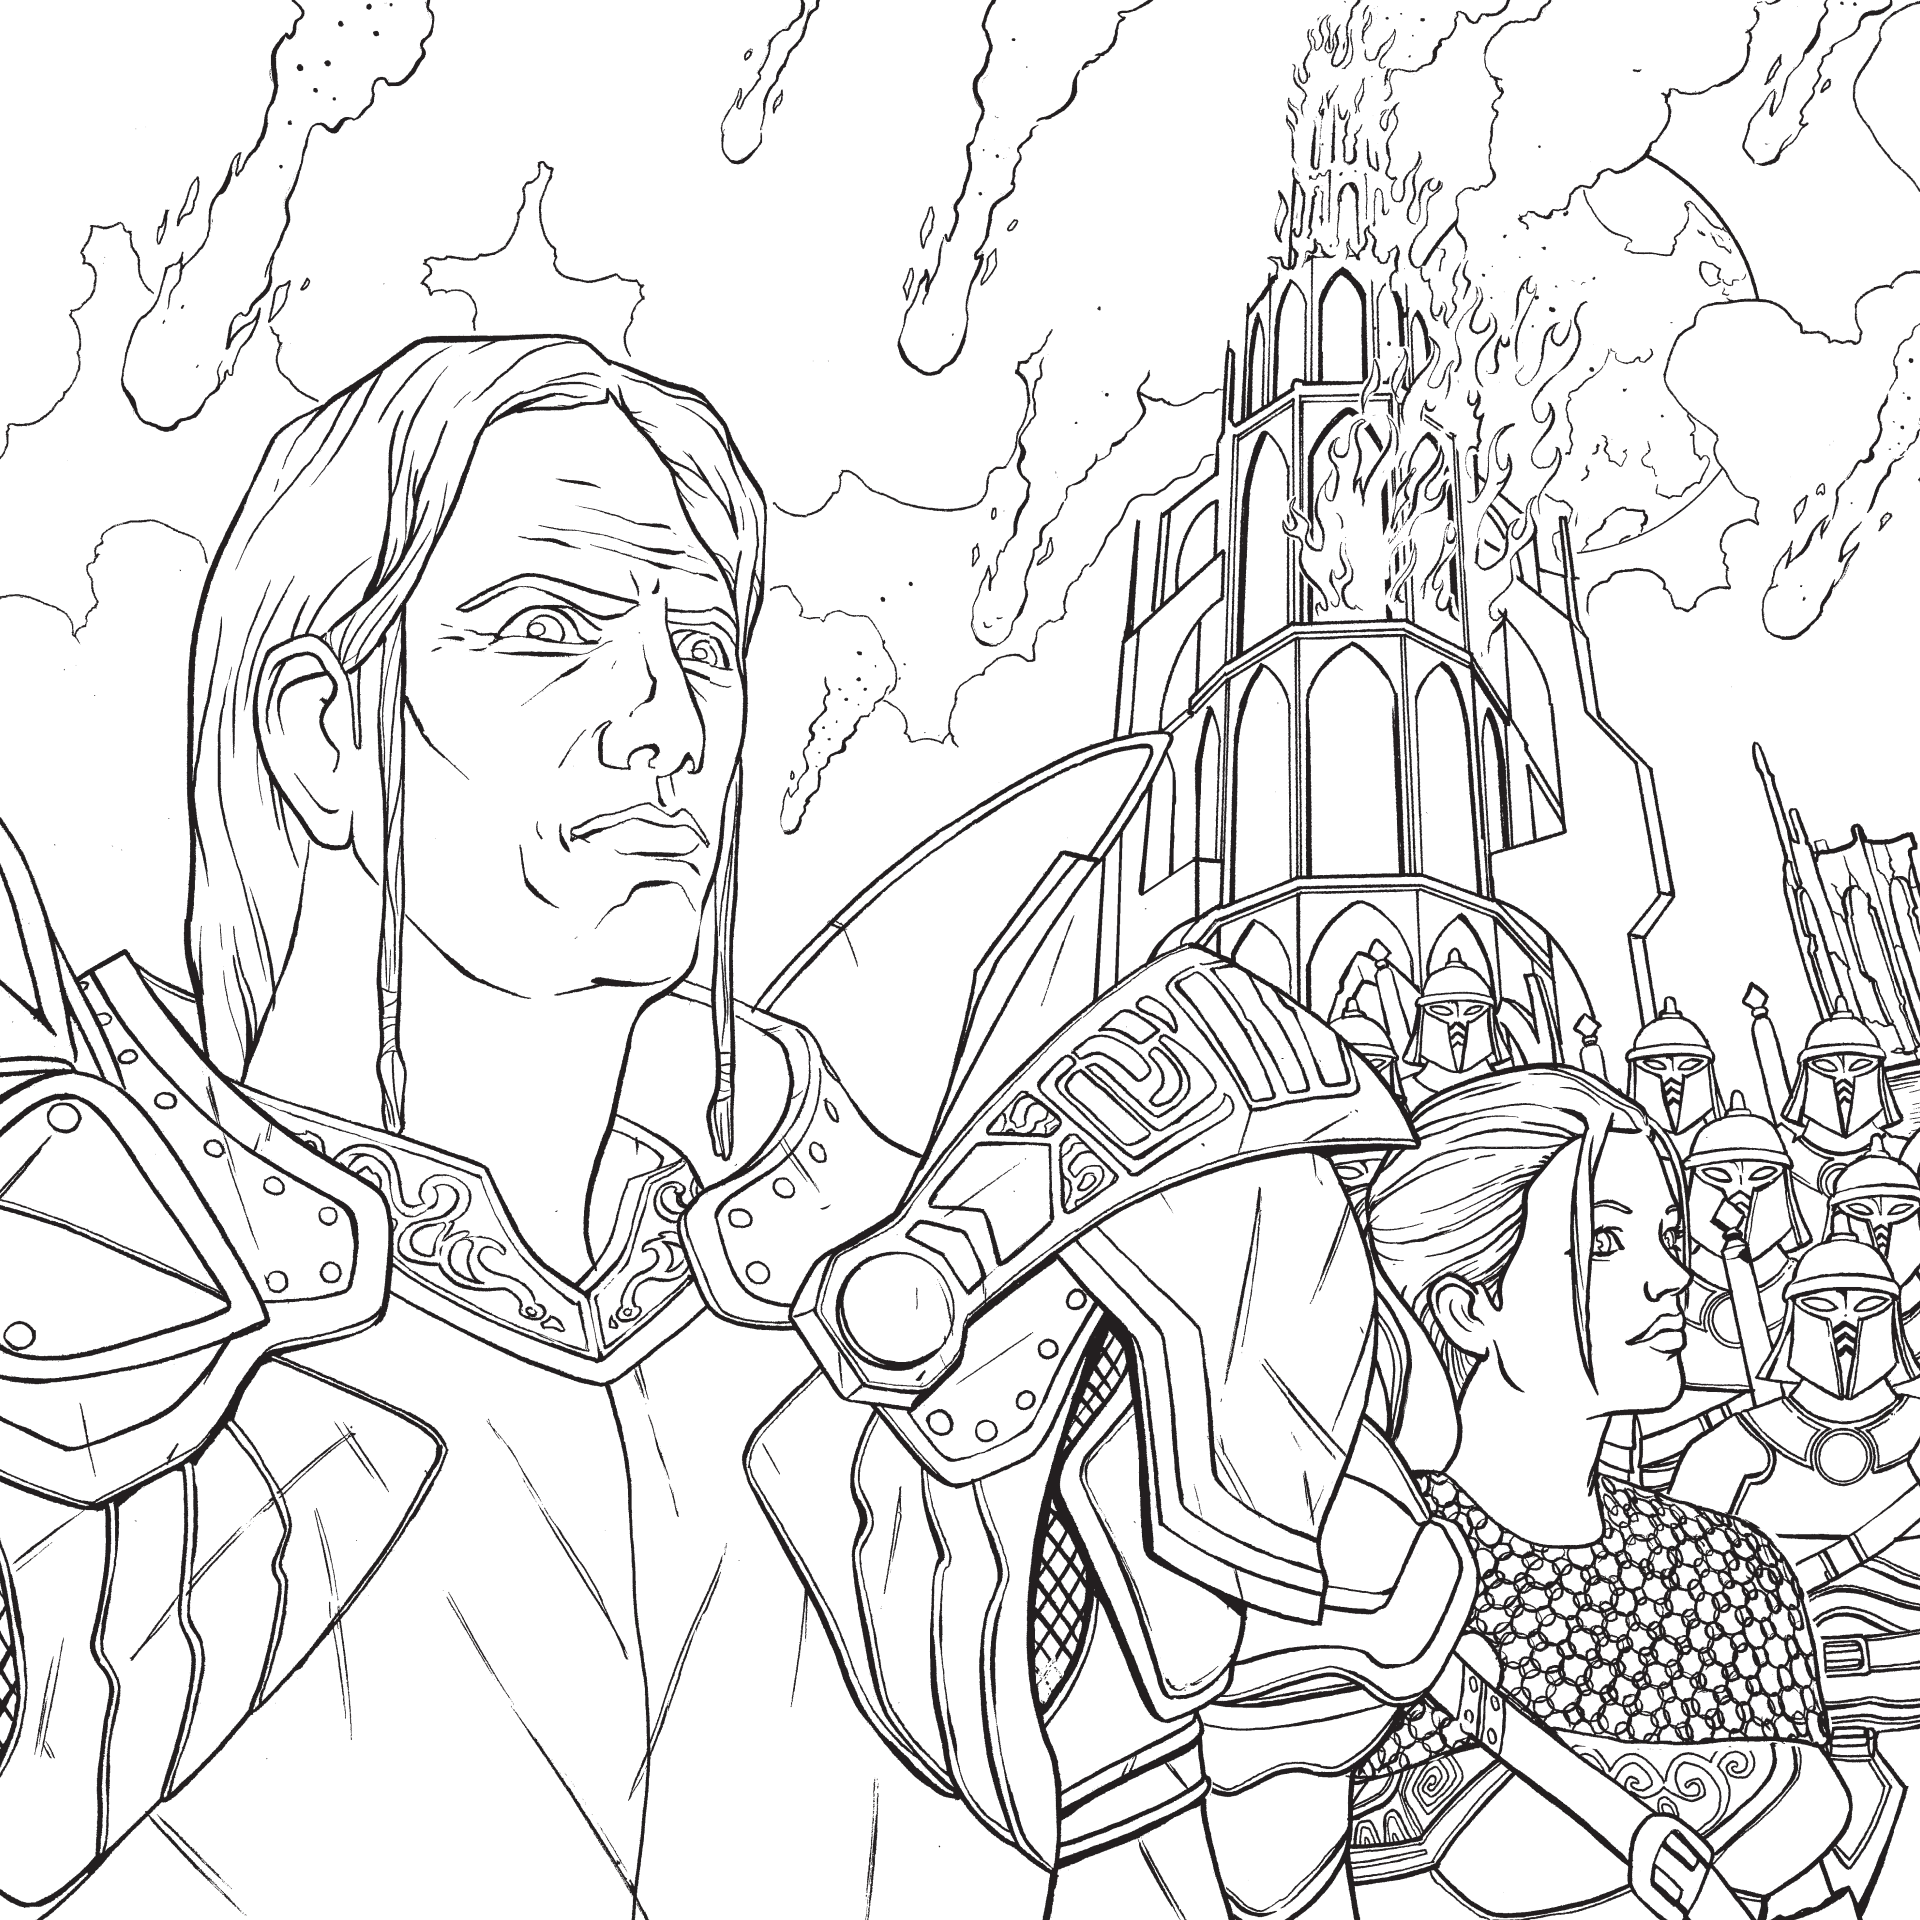
“We must stand . . . and fight.”
—Sten

“They say the mabari is clever enough to speak, and wise enough to know not to. Tell me, my friend, does this saying apply to you? Are you capable of speech, and simply choose not to speak?”

—Wynne

“A brawl would be a pleasant diversion right about now.”
—Shale

“Sound the retreat.”
—Loghain Mac Tir



“Have you ever heard the saying ‘let sleeping abominations lie’? Now would be the time to consider it.”

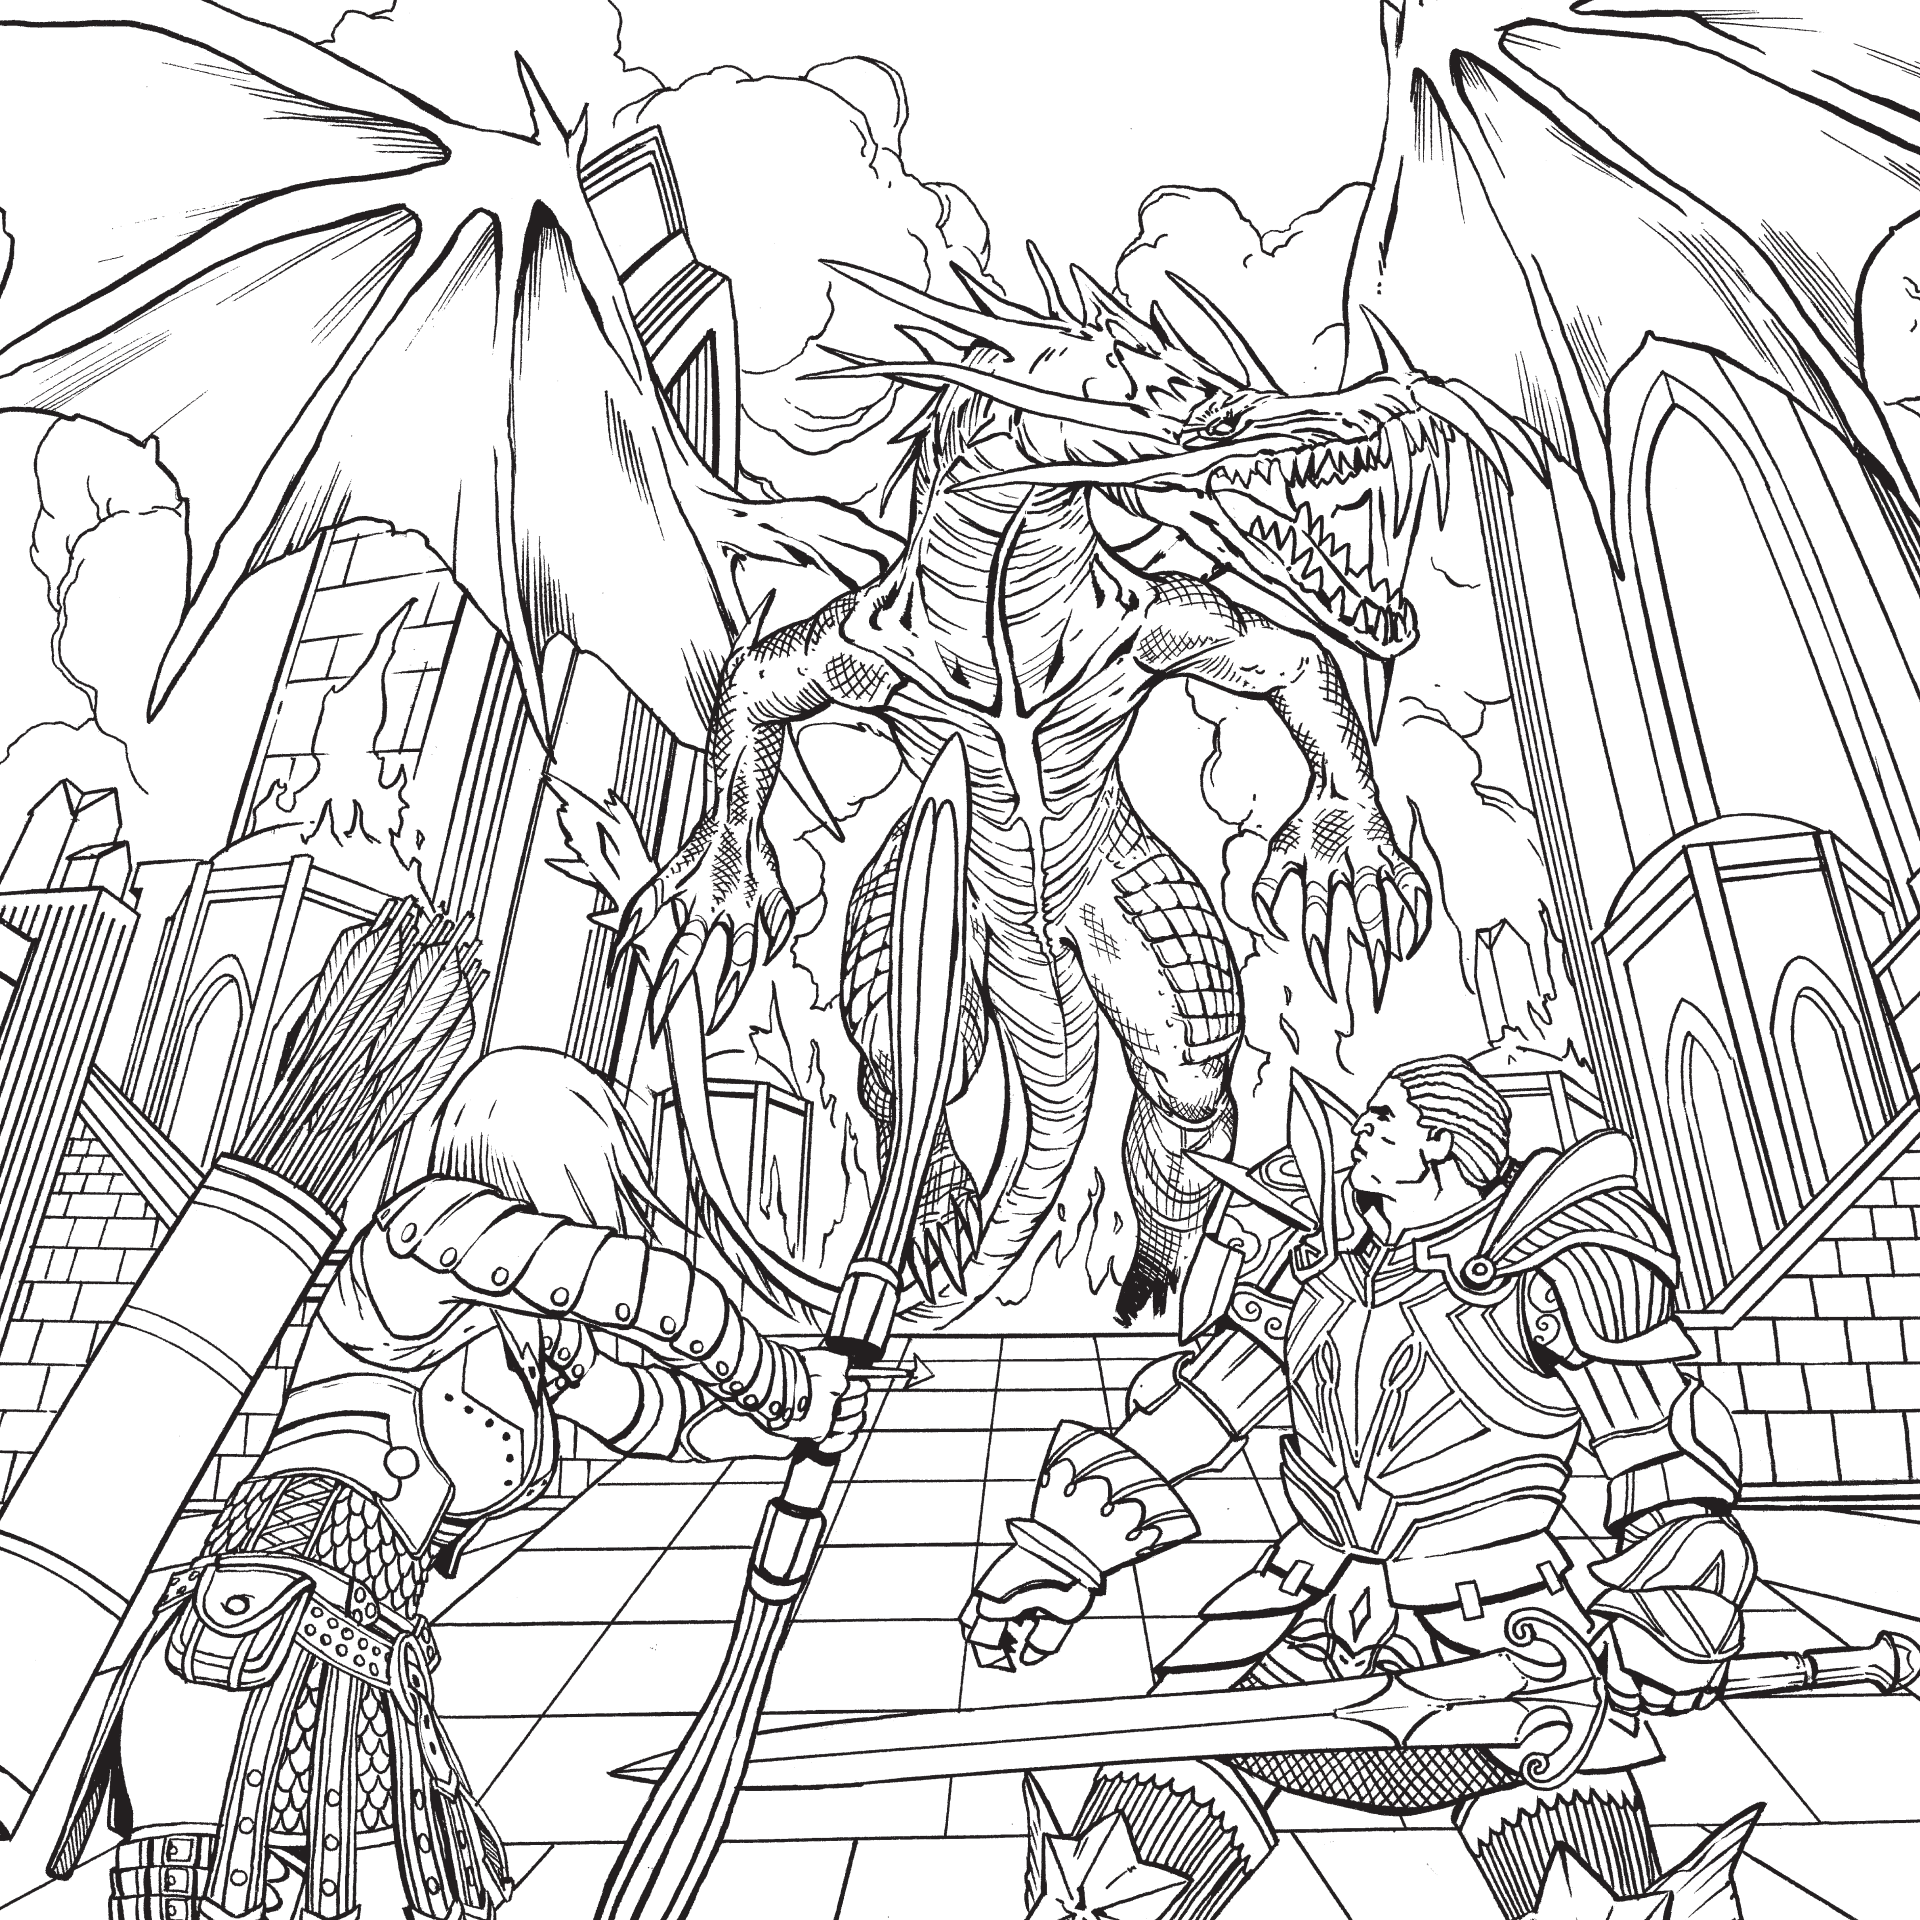
—Zevran

“This is what’s important; this is what has lasting meaning.”
—Branka

“We shall await your return.”
—Lady of the Forest

“When an Archdemon rises, they slay it. What will they do when all the Archdemons are slain?”

—Solas



“Order will be restored!”
—Aveline

“Love, life, and liberty. What more does a man need?”

—Anders

“I work magic, not miracles!”
—Bethany

“A fine job if I say so. And I do.”
—Carver

“This ground is cursed. Only wretched or ignorant souls would linger here.”

—Fenris

“The ship is the best teacher. She will guide you with her sighs . . . her shudders, her gentle swaying as she rides the crests of the waves.”

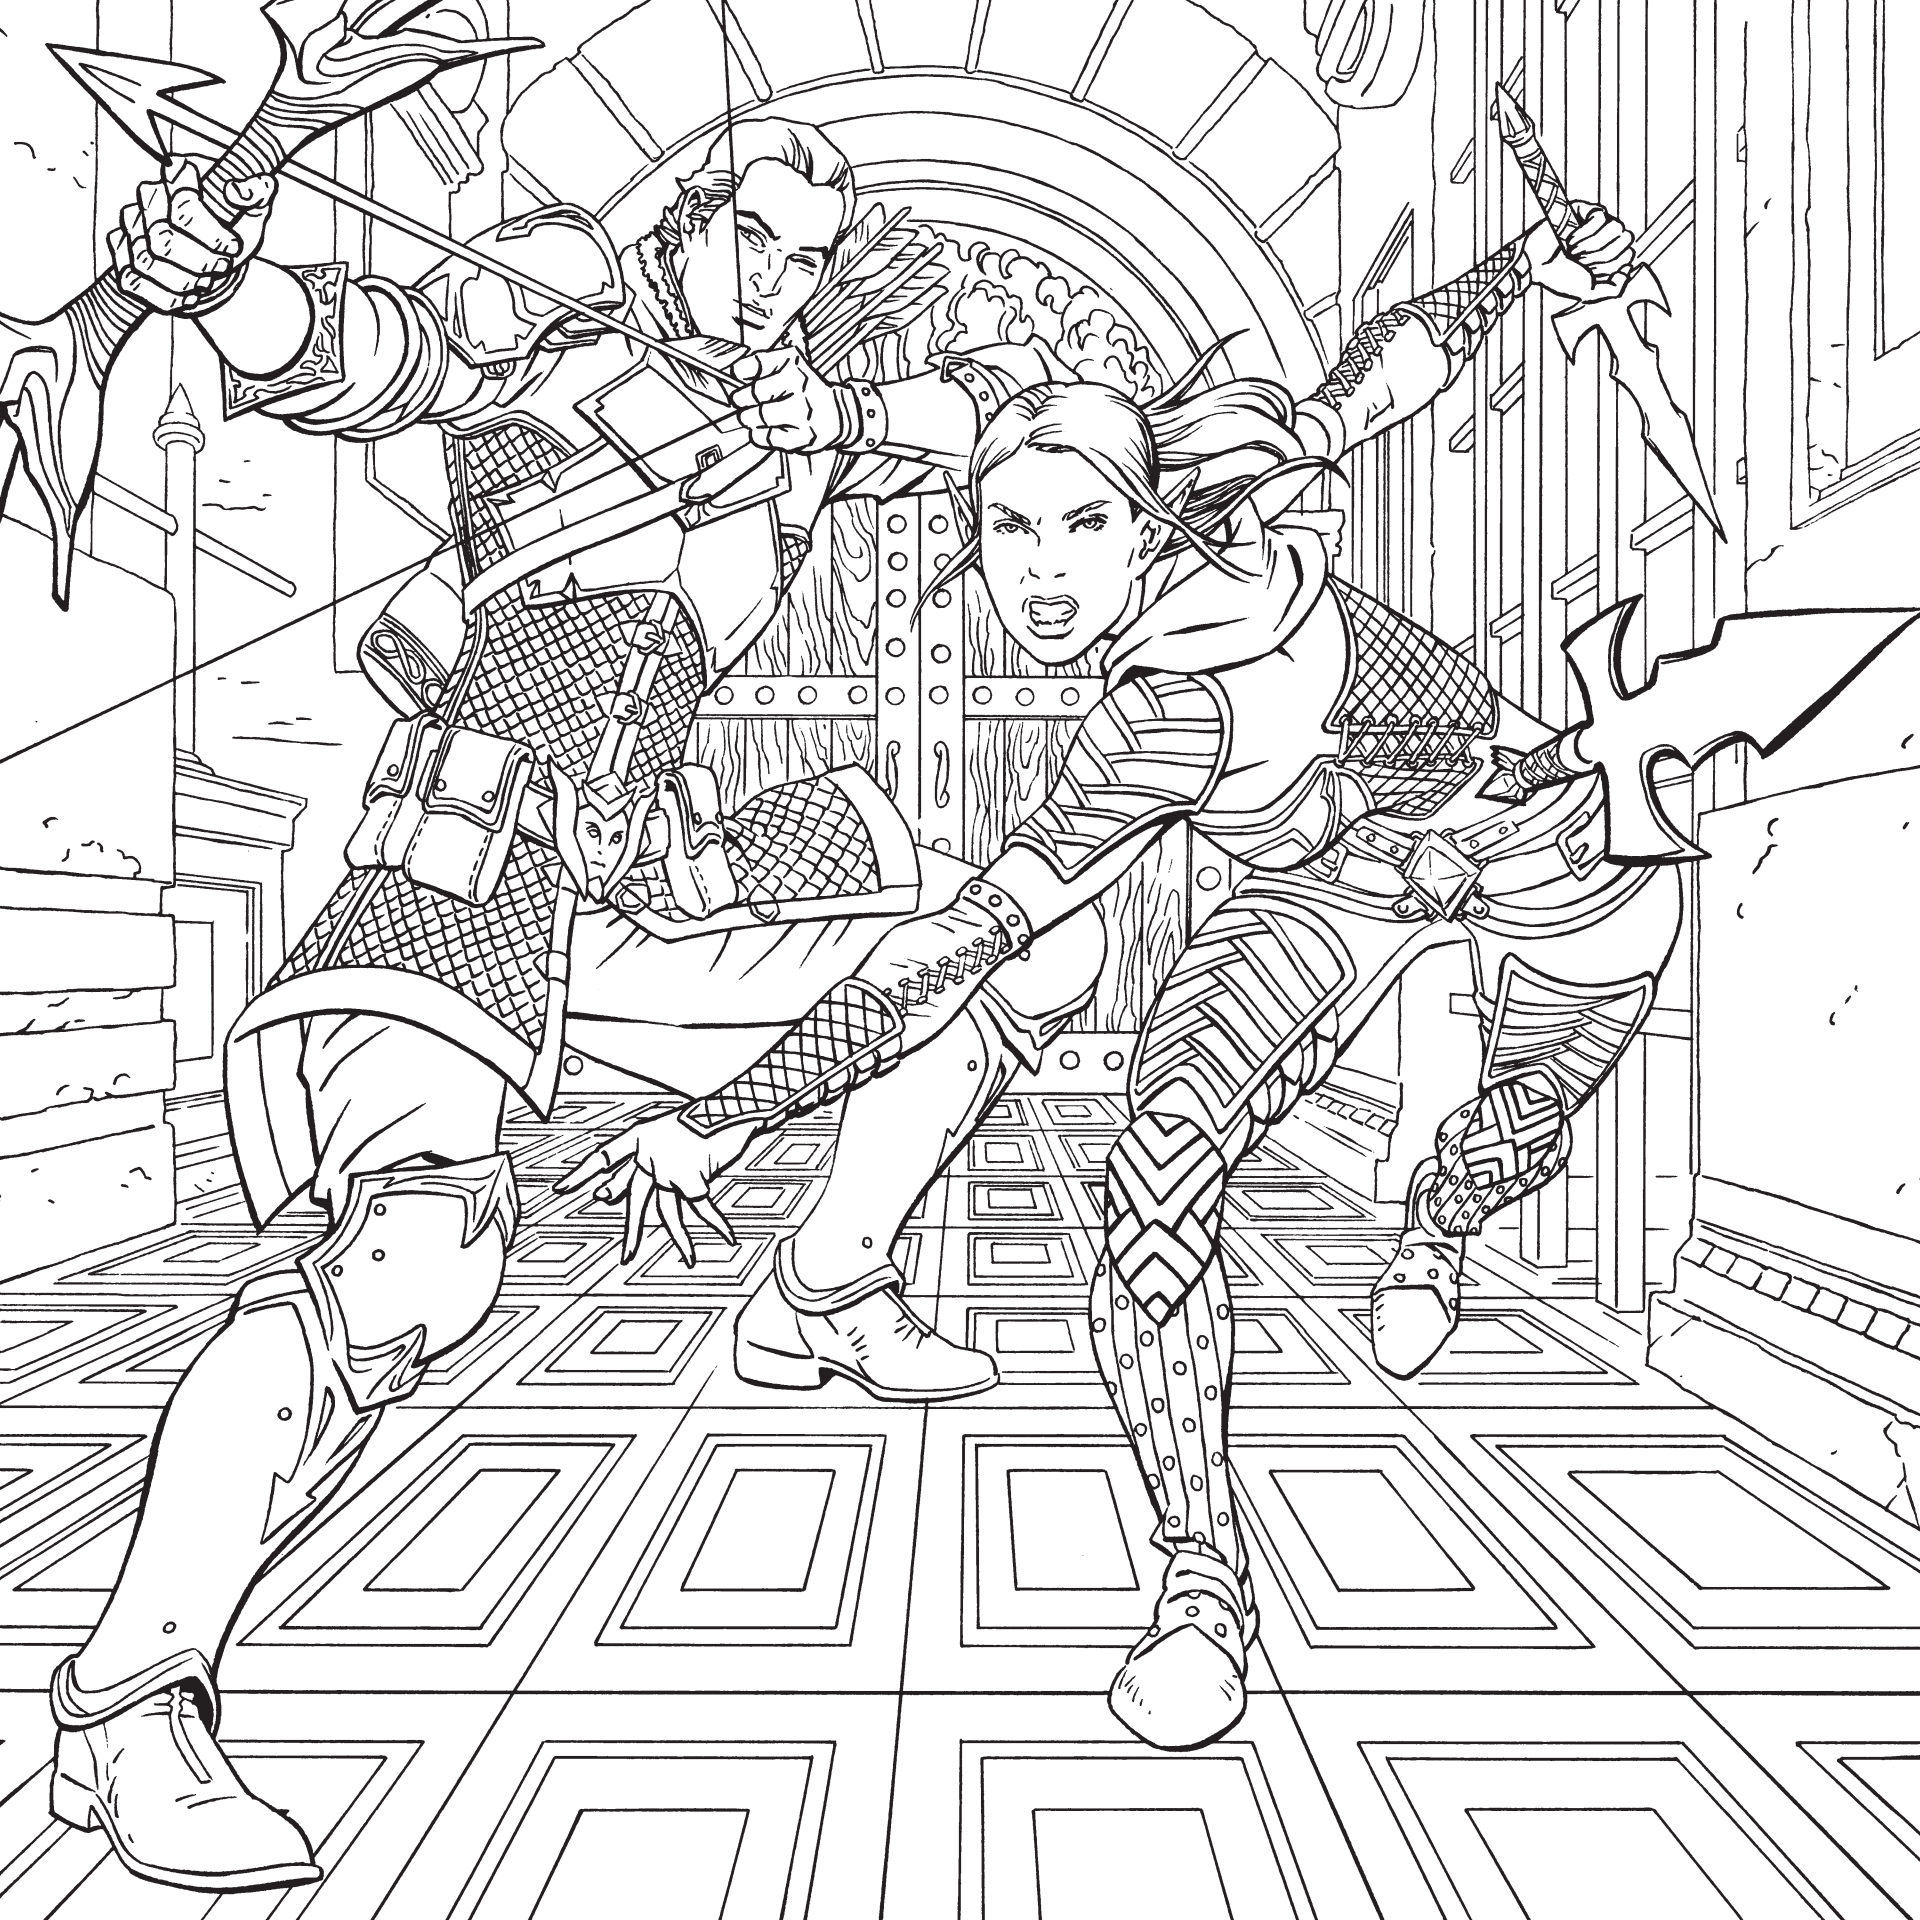
—Isabela

“May the Creators have mercy on you! I certainly won’t!”
—Merrill

“There’s power in stories, though. That’s all history is: the best tales. The ones that last. Might as well be mine.”

—Varric

“Haven’t you ever looked at the world and
wondered where the justice is? The equality?”
“My faith is my armor, my cause is my shield!”
—Tallis and Sebastian



“Ah, the Hanged Man. Sometimes you want to be where everybody knows your name.”

—Isabela

“We stand upon the precipice of change. The world fears the inevitable plummet into the abyss. Watch for that moment—and when it comes, do not hesitate to leap. It is only when you fall that you learn whether you can fly.”

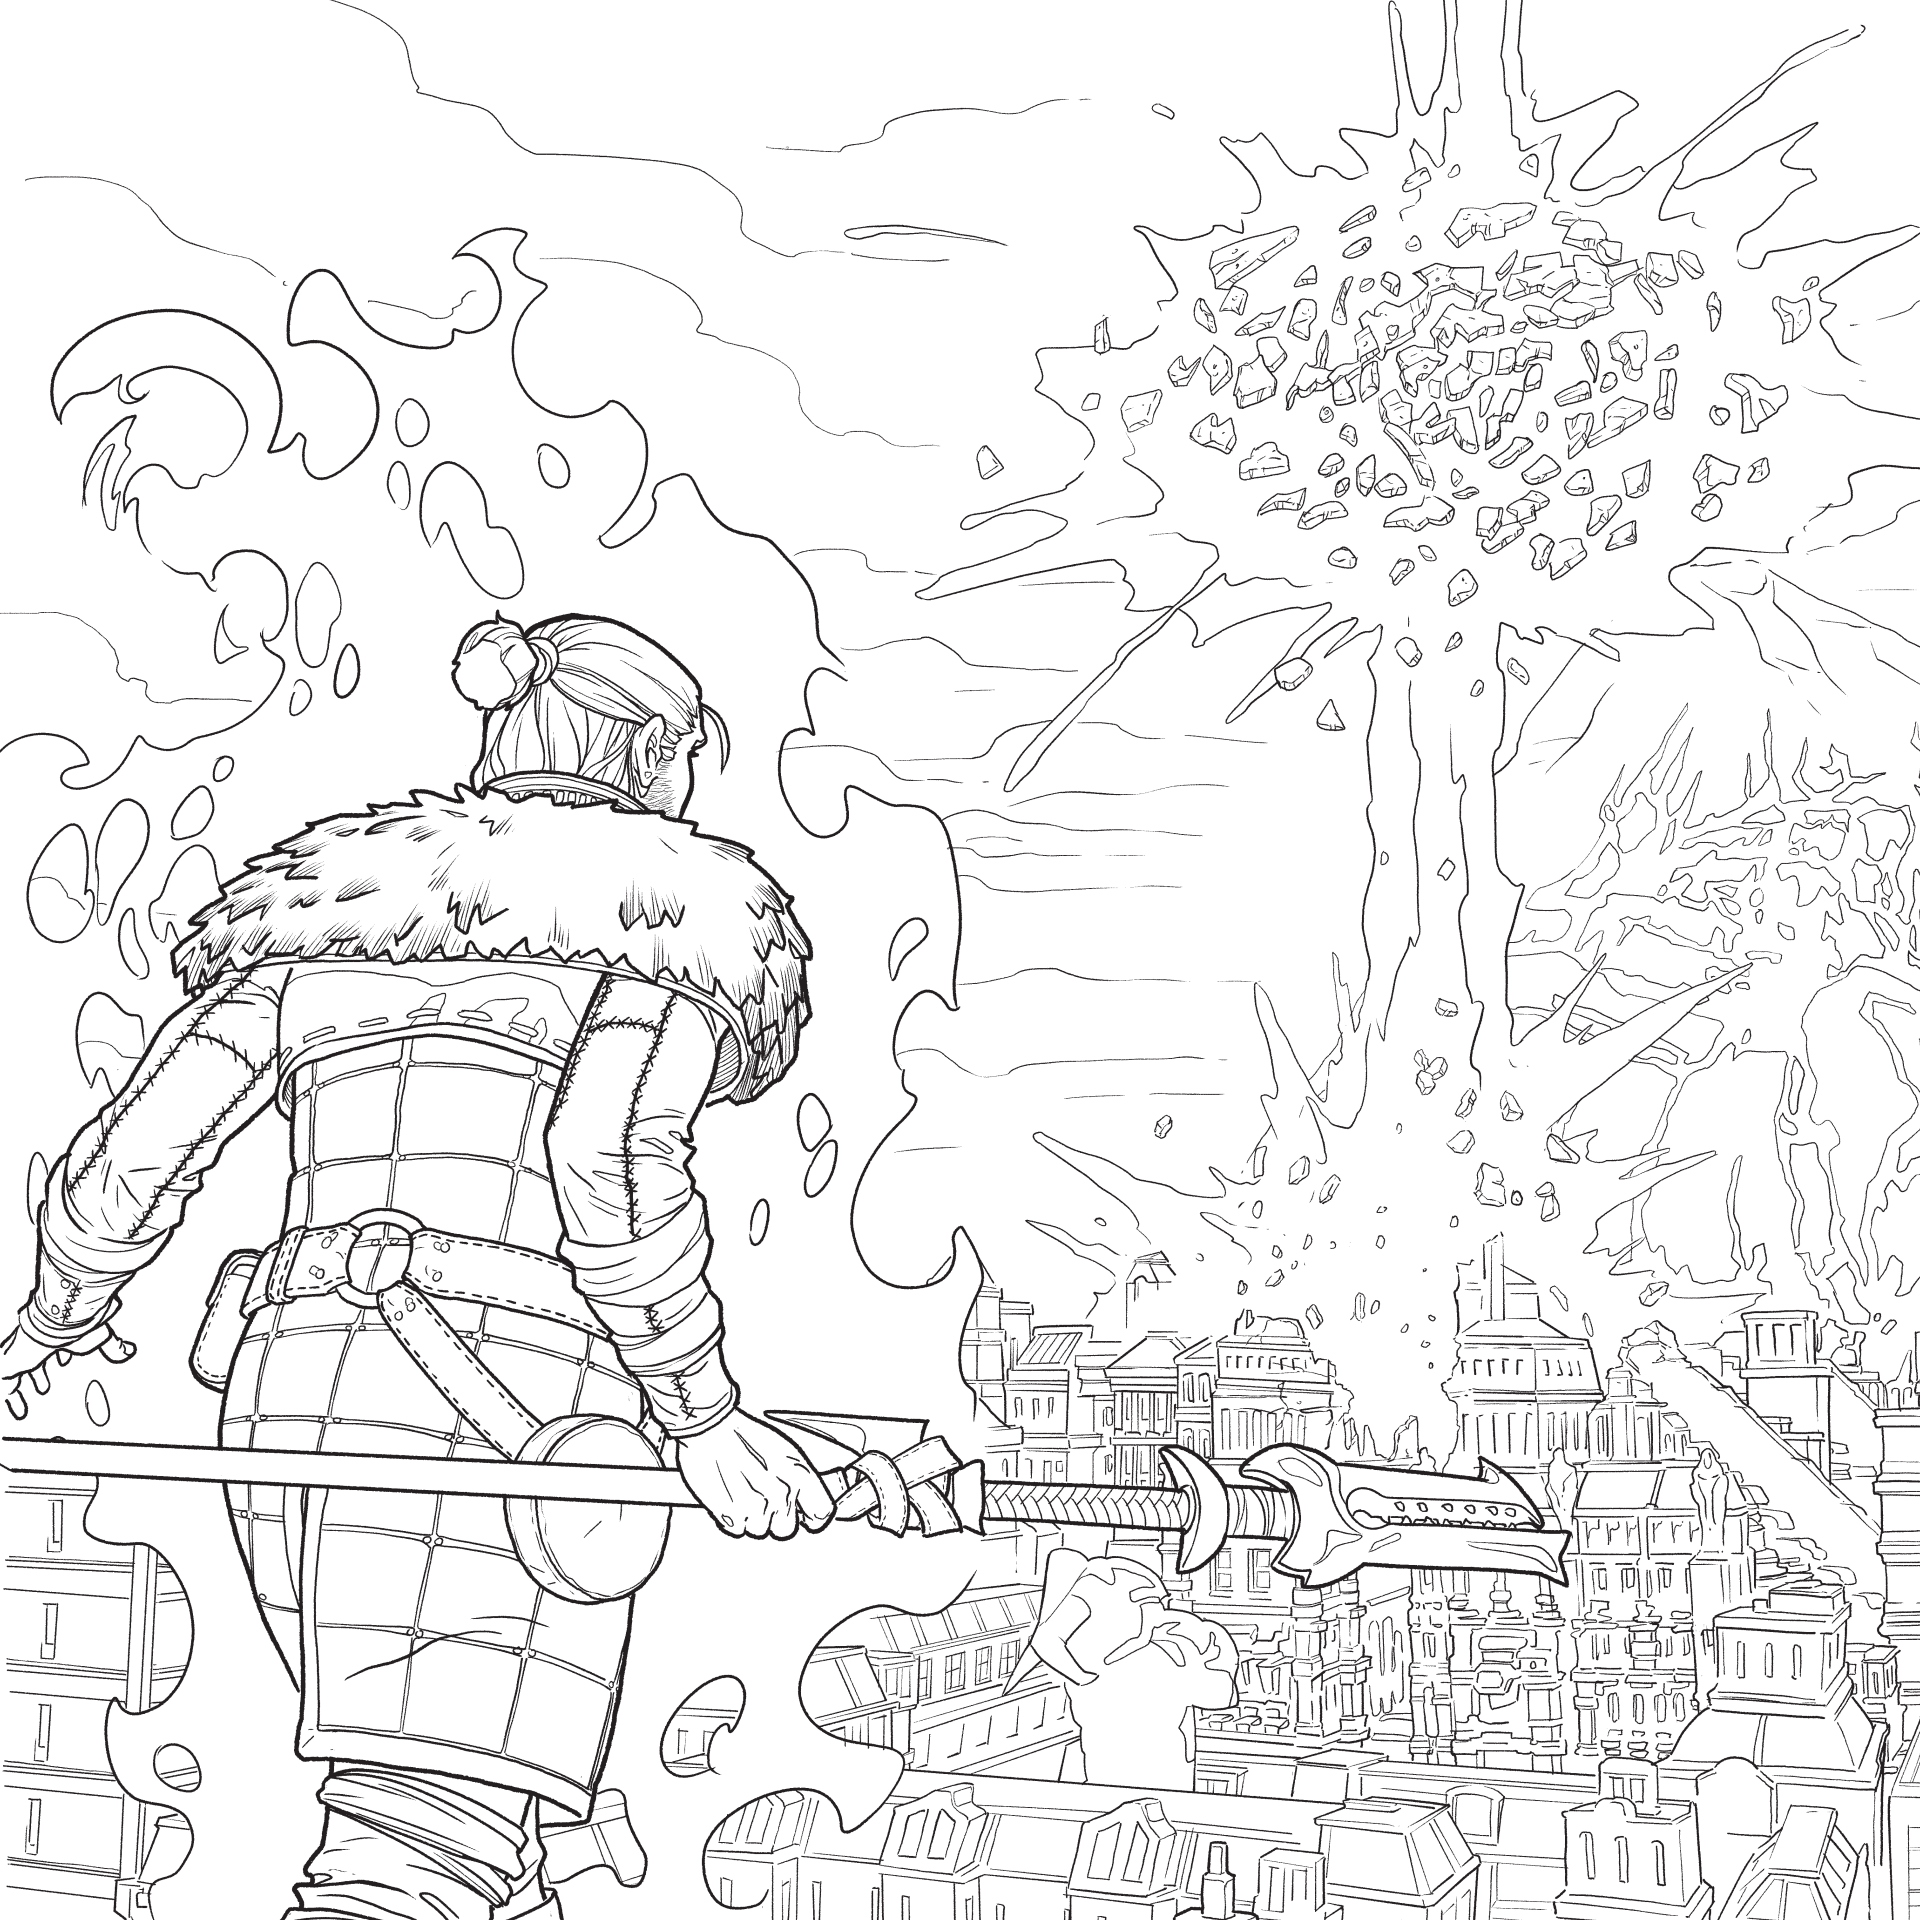
—Flemeth

“Look at you. Like fat dathrasi you feed and feed and complain only when your meal is interrupted. You do not look up. You do not see that the grass is bare. All you leave in your wake is misery. You are blind. I will make you see.”

—Arishok

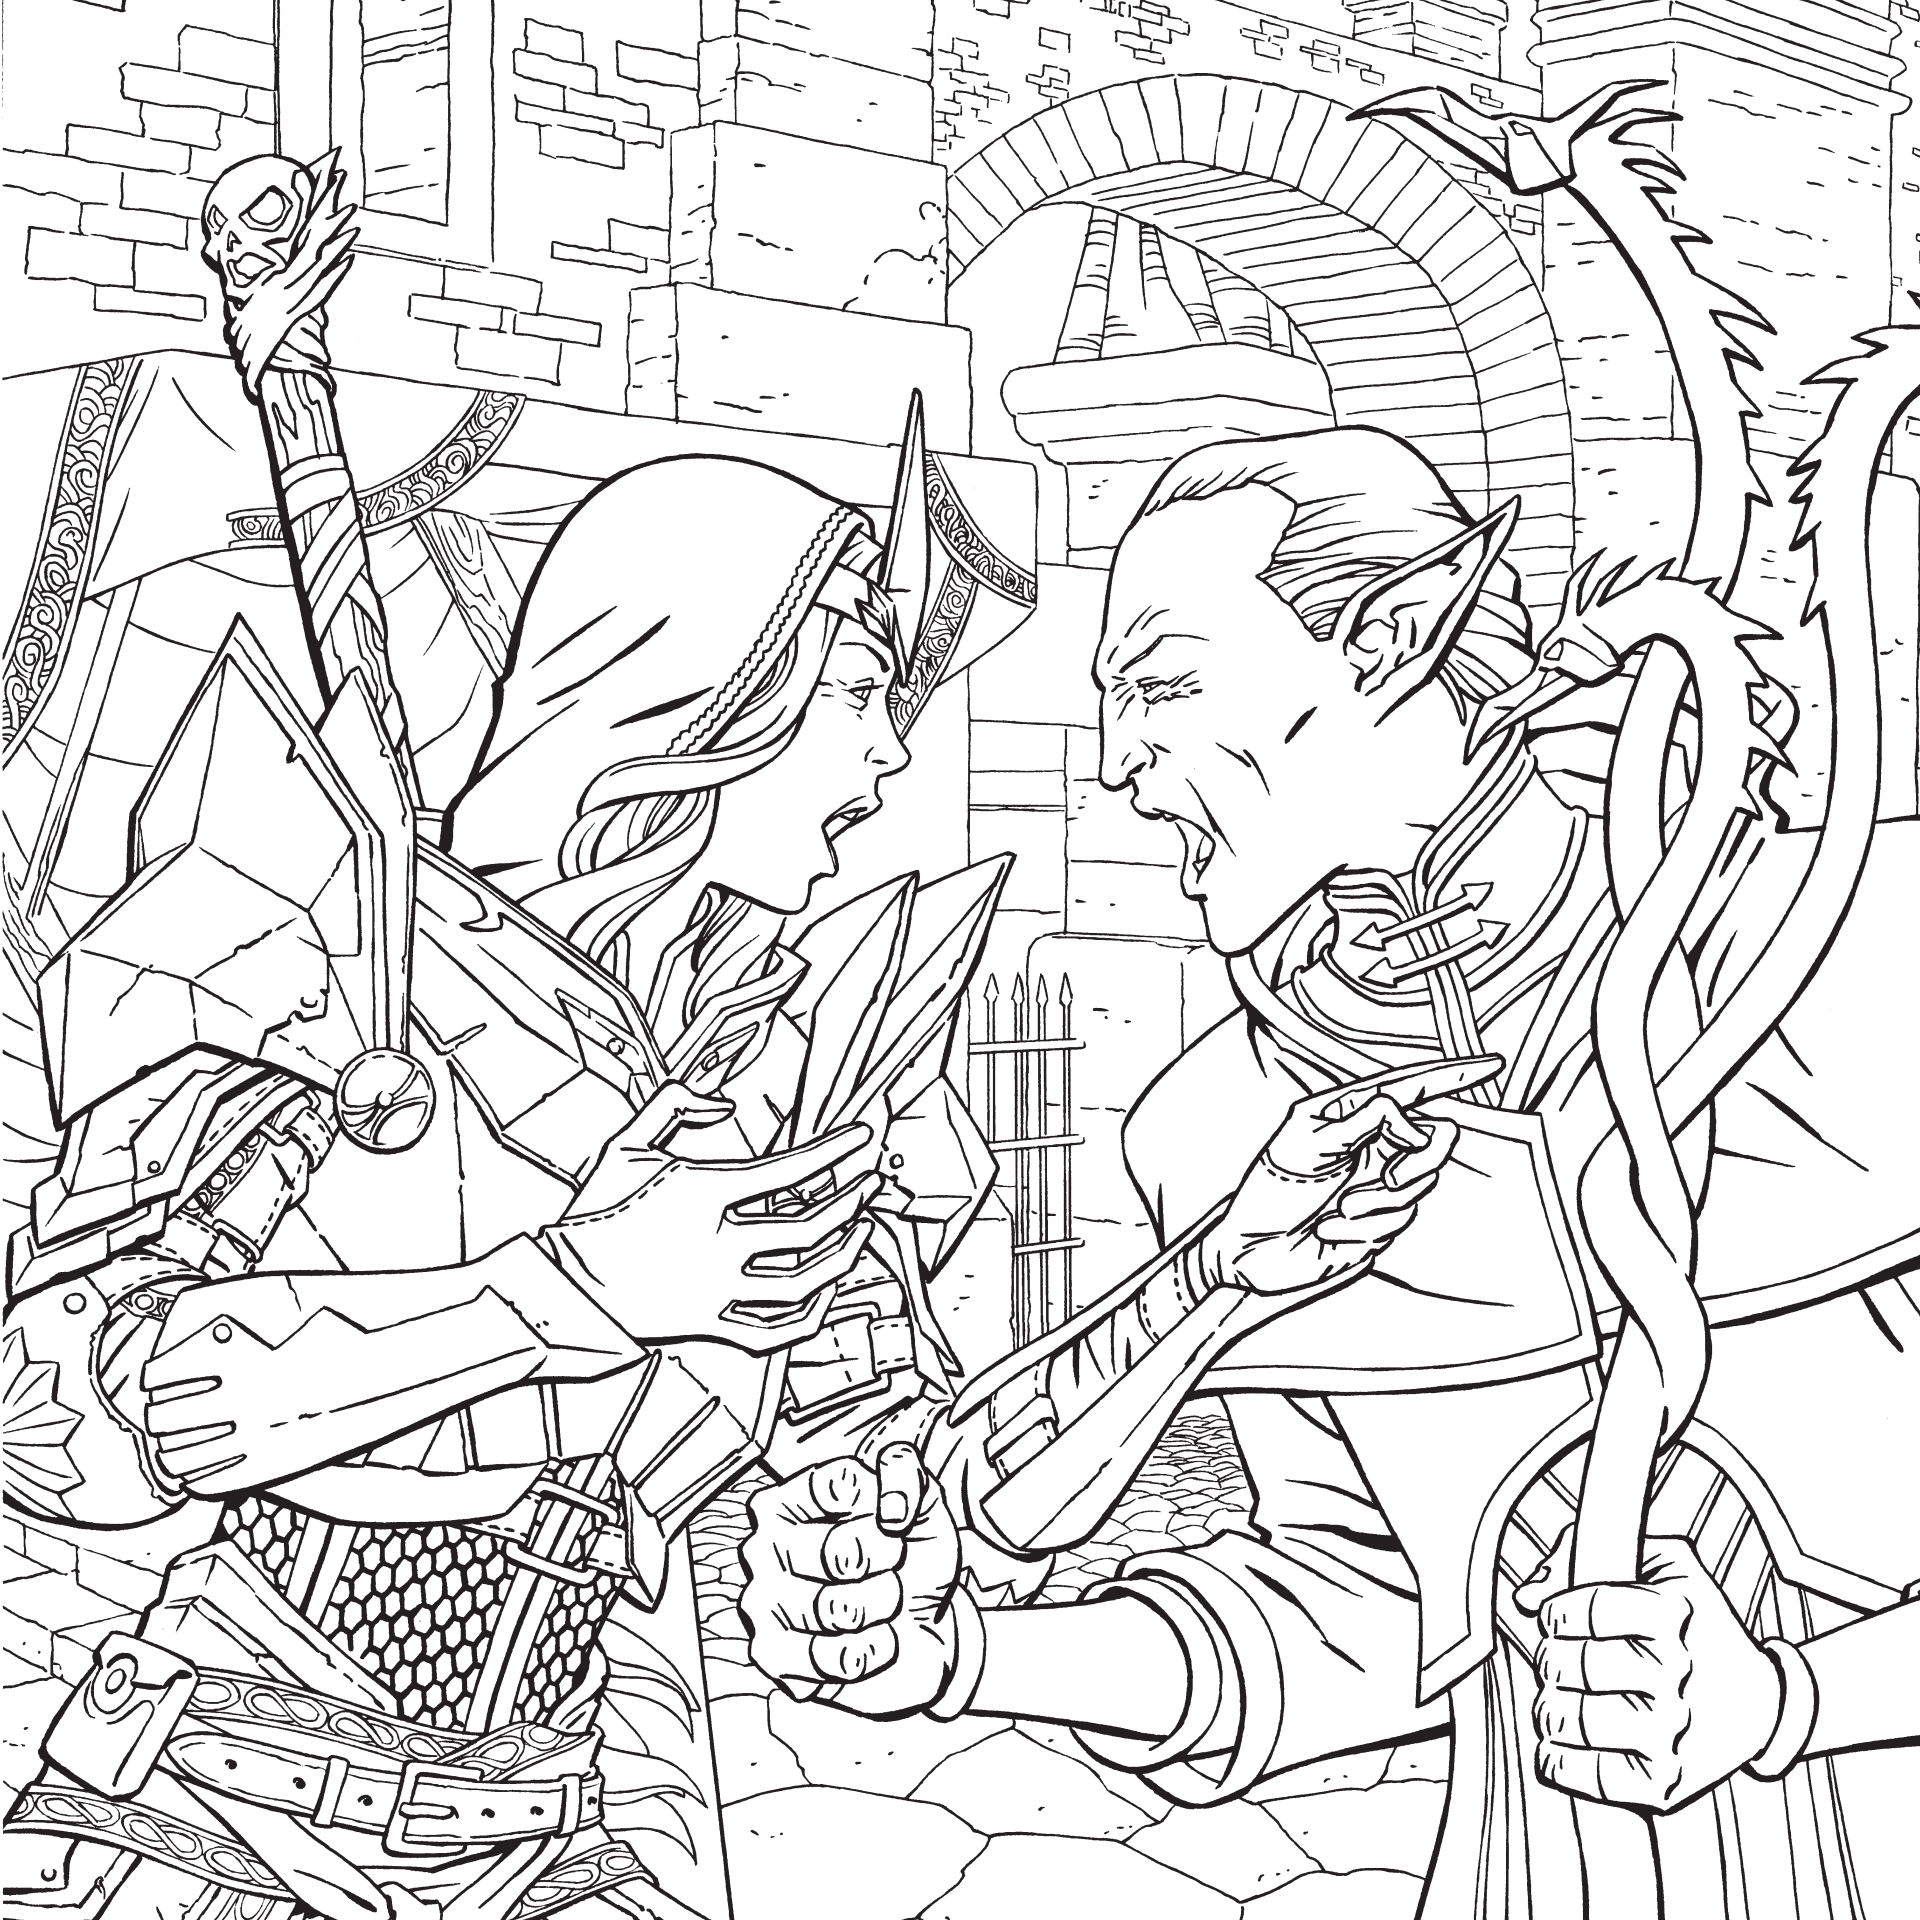
“The time has come to act! There can be no half measures. There can be no turning back.”

—Anders



“I will have the tower searched. Top to bottom!”
“You cannot do that. You have no right!”
“I have every right!”

—Meredith and Orsino



“I can’t . . . hear the song anymore.”
—Bartrand

“If I get the eluvian to work, I wonder where it will show me . . .”

—Merrill

“Be careful. This place is far too quiet for my liking.”
—Cassandra

“Compassion and faith. Not all,
but a start. I can help. I can try.”
—Cole

**“Sometimes, even after they take the armor . . .
some people just aren’t fit to be Wardens.”**

—Blackwall

“Maintaining justice in the ranks, operating under a veil of secrecy, investigating corruption and threats to the order, and you deal with it all so quietly. Most people never notice.”

—Iron Bull

“If I truly believed my homeland was beyond all hope, I wouldn’t miss it so much.”

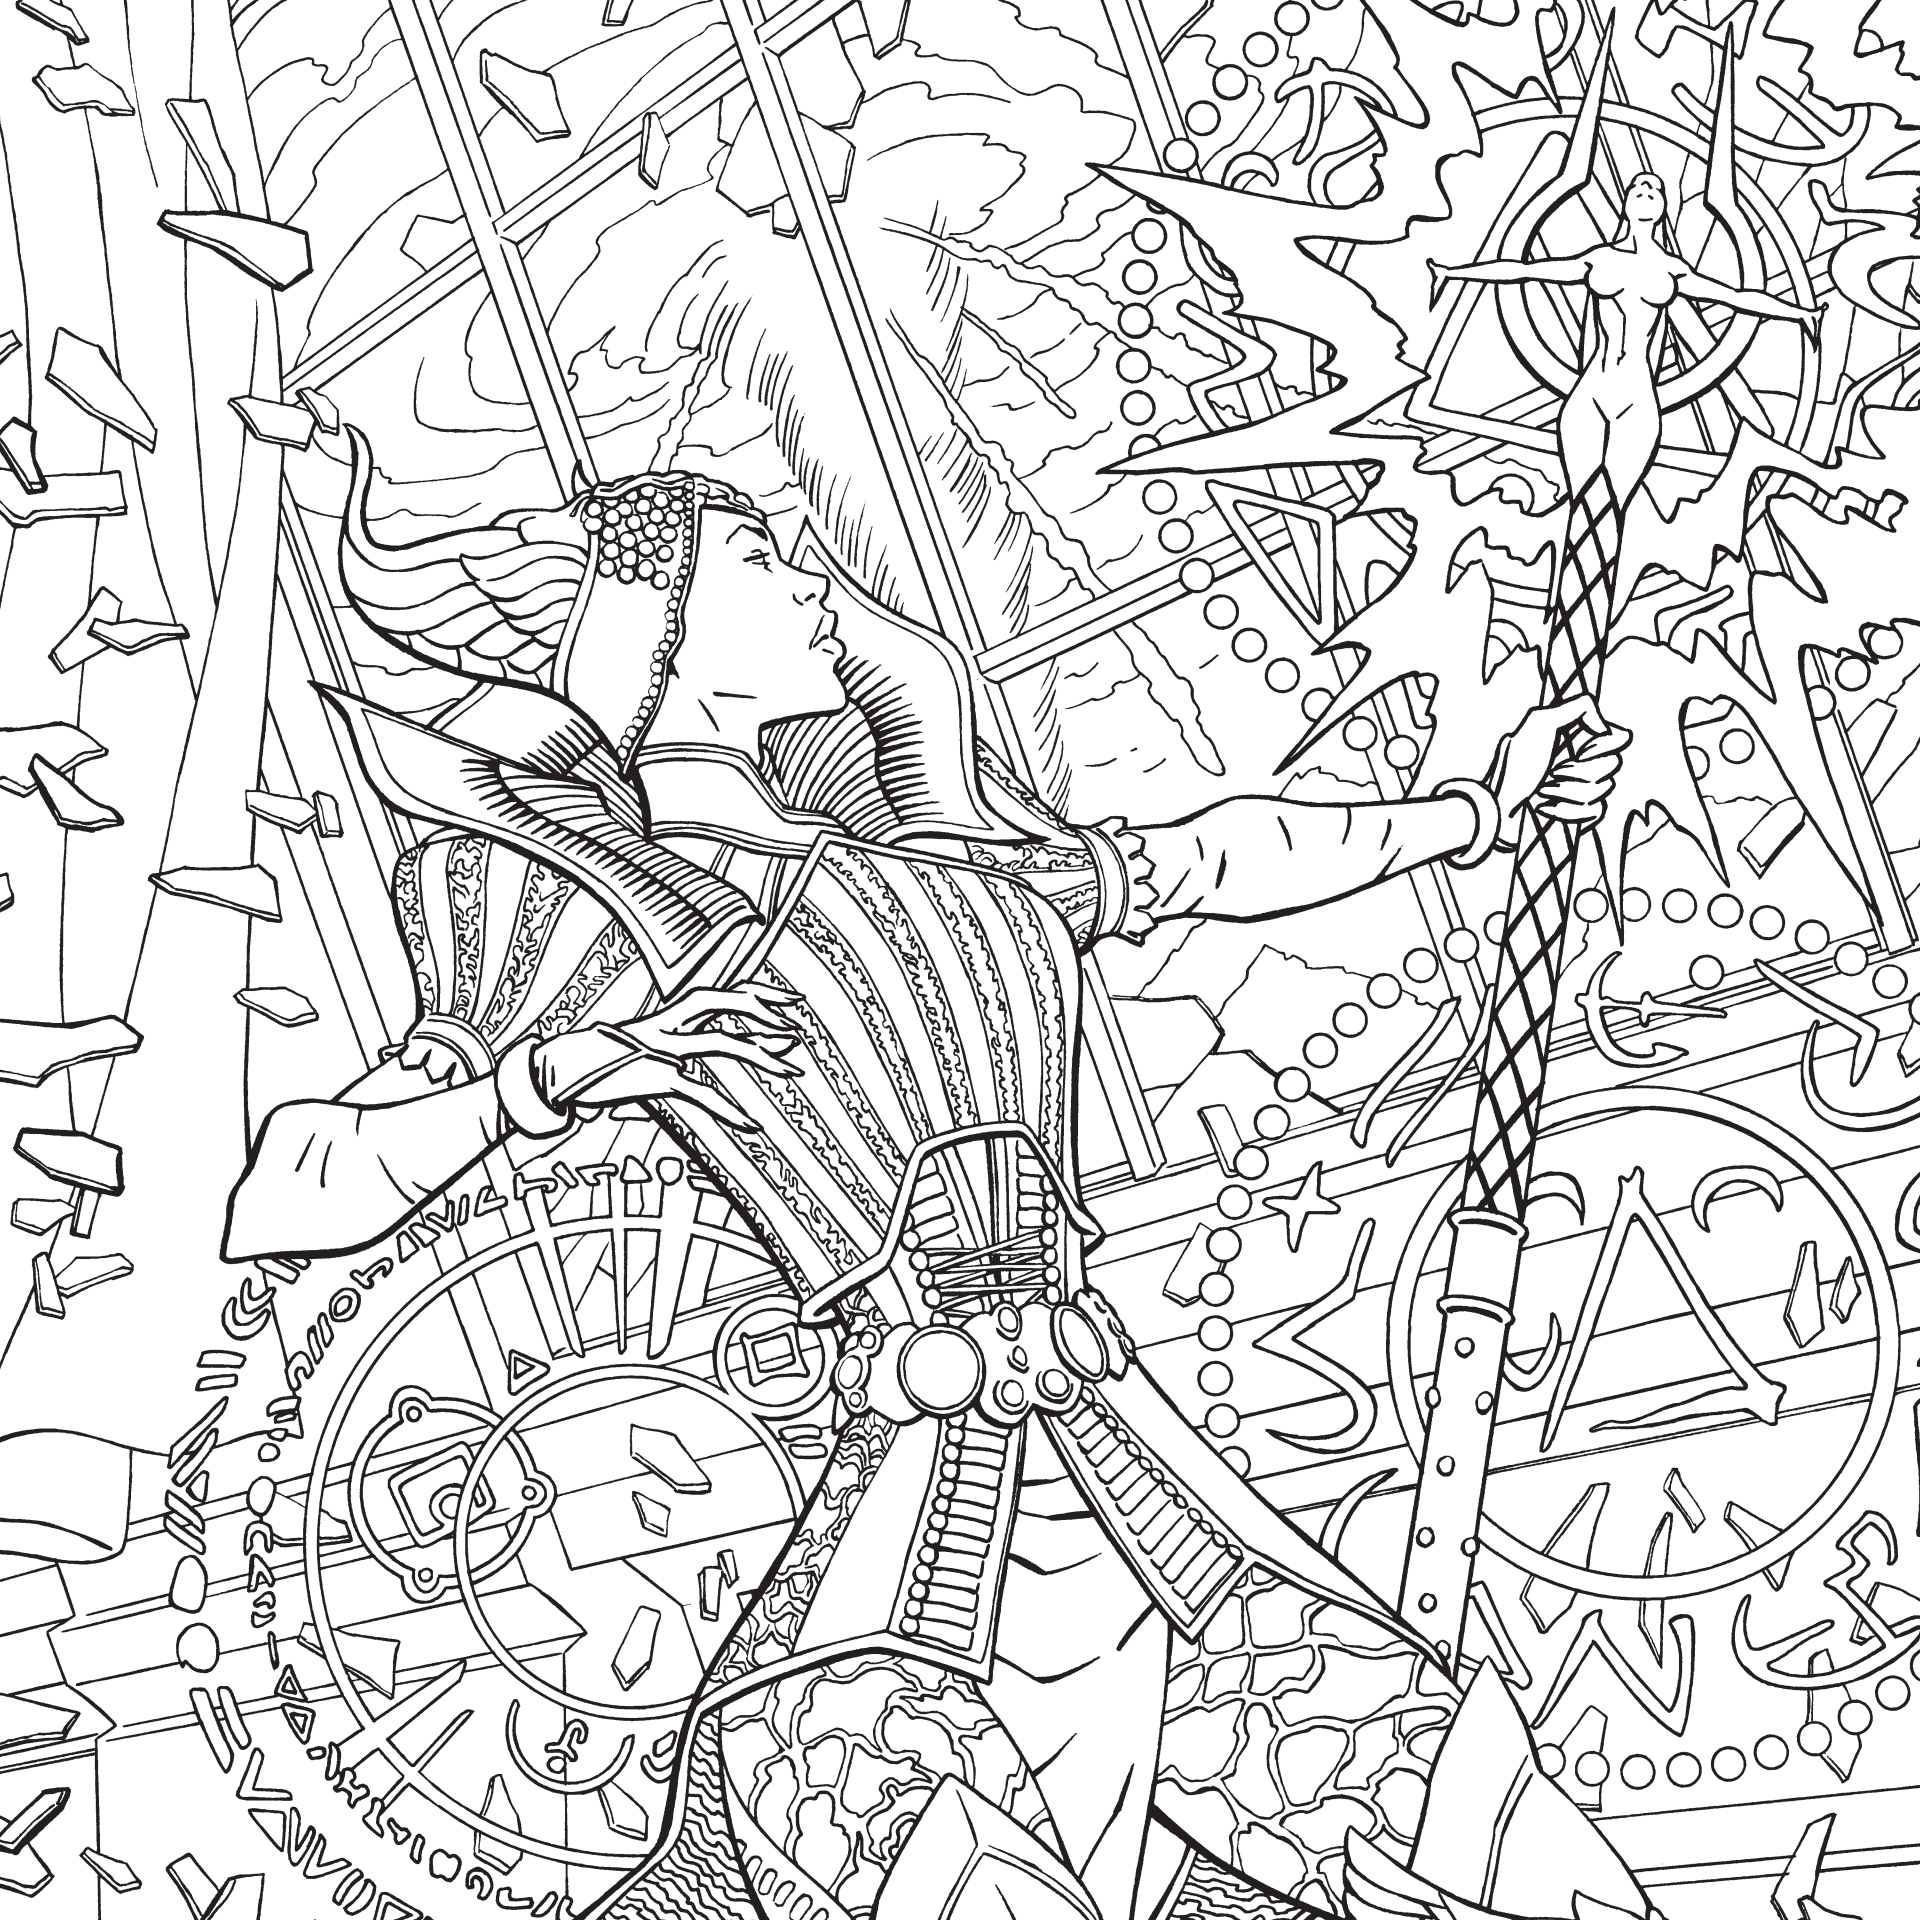
—Dorian

“Big heroes, us. That was . . . that was great.”
—Sera

“This world is full of wonders for those who seek them.”
—Solas

“The elves trusted that the world as it was would never change. This rubble is the legacy of that trust. Empires fall, and regimes change, Inquisitor. Do make sure you’re still standing when the dust clears.”

—Vivienne



“Which means we must approach the rebel mages for help.”
“And I still disagree. The templars could serve just as well.”
“Unfortunately, neither group will even speak to us yet.”
—Cullen, Josephine, and Leliana

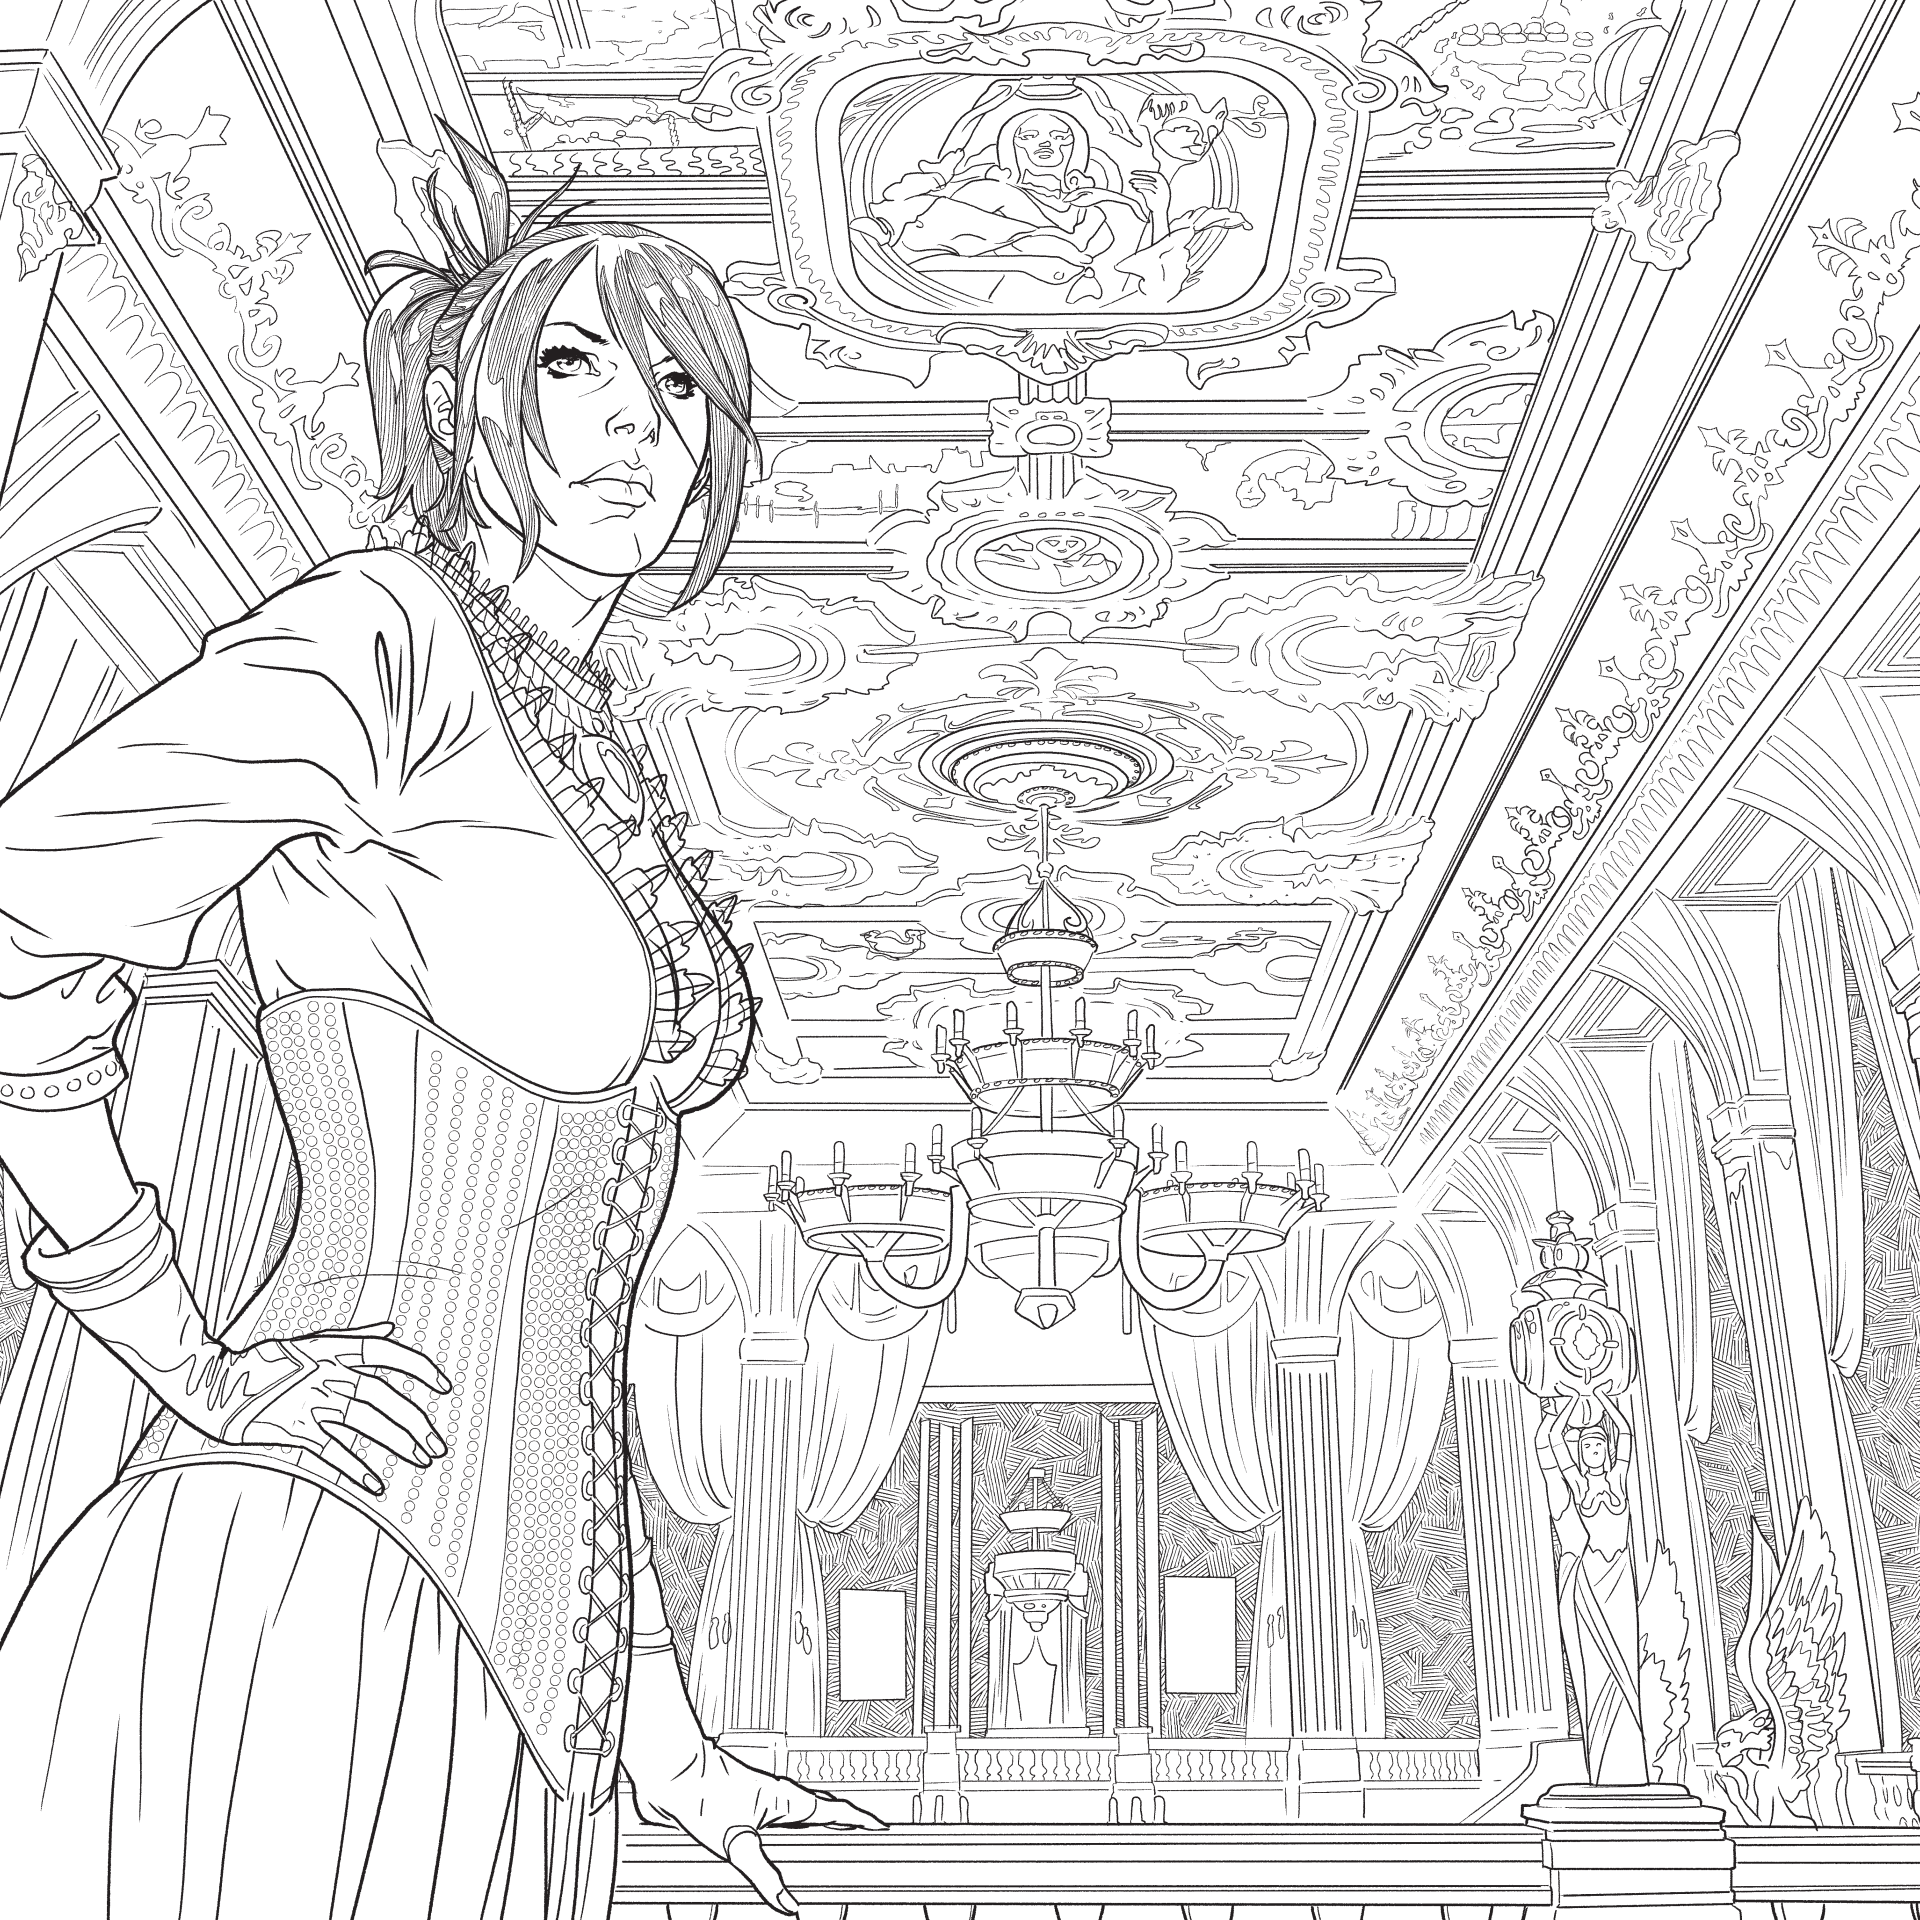
“Think on that for a moment, my friends. Be wary of how prideful you become, lest you find too much in common with such a fiend.”

—Templar-Commander Vheren

“They got the job done. You know what it means to put the mission first.”

—Iron Bull

“I’m being careful.”
“Not unwise, here of all places.”
—The Inquisitor and Morrigan



"We must guard Skyhold carefully. There is no telling when Corypheus will next attack."

—Cassandra

“Words mortals often hurl at the darkness. Once they were mine. They are always lies. Know me; know what you have pretended to be. Exalt the Elder One. The will that is Corypheus. You will kneel. ”

—Corypheus

“The Well of Sorrows overflows with knowledge.”
—Morrigan

“An impressive creature. There is a purity in such undiluted power.”

—Solas
